# VIDEO FORMATS AND UPLOAD INSTRUCTIONS TO SEND IN YOUR VIDEO IN TO THE FAIR

Please upload all videos, side presentations, logos, and images to:  
<https://www.dropbox.com/request/jJMITdi3PBmbZLVVKyp6>

When creating video please follow the following steps. First if you are shooting this on a mobile device please use landscape not portrait. Acceptable frame size: 1920x1080 and frame rates are 23.98p, 29.97p, 29.97i, 59.94p, 60p **Best at 59.94**

For your audio if you can record at balanced stereo 44.1 kHz sample rate or higher than 16-bit audio bit depth.

Please do not wear green as we will be using a green screen for part of this stream. When speaking do not use profanity or offensive language.

Please remember to have your social media team promote the event thanks.

If you are coming to the studio to have us shoot your spot or speech please give me 3 dates and times you are available remember we are PST.
